On November 13, 2009, this court issued an Order adopting the Report and Recommendation of the Magistrate Judge granting defendants' motion for summary judgment and remanding plaintiff's remaining state law claims to State Court due to plaintiff's failure to file objections. Upon further review the court has now determined that plaintiff did file timely objections on November 6, 2009, which this court was not aware of at the time of the order. Now therefore,

IT IS HEREWITH ORDERED that this court's Order filed on November 13, 2009, adopting the Report and Recommendation and granting defendants' motion for summary judgment and remanding plaintiff's remaining state law claims to State Court in the above named matter is herewith vacated, and the court will consider plaintiff's objections.

AND IT IS SO ORDERED.

United States District Judge
